

## CURRICULUM VITAE

### **Julius Warren Few, Jr., M.D., FACS**

#### **Experience and Training**

2008-present

Founder, The Few Institute For Aesthetic Plastic Surgery, Chicago, Illinois  
Clinical Associate, Division of Plastic Surgery, University of Chicago

2000-2008

Assistant and Associate Professor, Division of Plastic Surgery, Northwestern University Feinberg School of Medicine

2007-2008

Developer and Director, Northwestern University Feinberg School of Medicine, Aesthetic and Breast Fellowship

#### **Board Certification, American Board of Medical Specialties Member Boards**

American Board of Plastic Surgery, 2001

American Board of Surgery, 1998

#### **Ophthalmic Plastic Surgery Fellowships**

Flowers Clinic-Honolulu

New York Eye and Ear Infirmary, New York

Manhattan Eye, Ear, and Throat Hospital

Paces Surgery Center, Atlanta

Chief Resident Instructor, Northwestern Plastic Surgery, 1999-2000

Resident, Plastic Surgery, Northwestern University, 1997-1999

Chief Resident, General Surgery, University of Michigan Medical Center, 1996-97

Resident, General Surgery, University of Michigan Medical Center, 1993-96

Intern, General Surgery, University of Michigan Medical Center, 1992-93

University of Chicago Pritzker School of Medicine, M.D. with Honor, 1992

Harvard Medical School, Research, clinical externship, Thoracic Surgery, 1992

University of Michigan Medical School, Research, clinical externship, Vascular Surgery, 1992

St. Mary's Medical School, London, England, Research, clinical externship, 1992

Harvard College Collaboration, Biochemistry Research, 1988

Michigan State University, Biochemistry and Physiology, 1988

#### **Leadership and Philanthropy**

Board of Directors, Grant Park

Editor, Aesthetic Surgery News

Chair, Product Advisory, American Society of Plastic Surgeons,

Co-Chairman Resident and Fellow Forum, American Society for Aesthetic Plastic Surgery

Vice-Commissioner, Communications, American Society for Aesthetic Plastic Surgery,  
Membership Committee, American Society for Aesthetic Plastic Surgery,  
Member at Large, Board of Directors, American Society for Aesthetic Plastic Surgery  
Member, By-Laws, American Society for Aesthetic Plastic Surgery  
Member, Public Education, American Society of Plastic Surgeons  
Member, Publication Committee, American Society of Plastic Surgeons  
Founding Member, Physicians Coalition for Injectable Safety  
Steering Committee, Aesthetic Enhance Organization  
Editorial Advisory Board, NewBeauty Magazine

#### **Journalism/Media**

NBC 2001/2002 – Medical Correspondence  
CNN – Medical Correspondence, Plastic Surgery Topics, 2002 to present  
Univision/Telemundo 2002 – Breast Surgery, Aesthetic.  
American Society for Aesthetic Plastic Surgery Spokesman.

#### **Patent**

Topical Treatment of Keloid Scar

#### **Membership: Scientific, Honorary And Professional Societies**

American College of Surgeons  
American Society of Plastic and Reconstructive Surgery  
National Medical Association  
American Society for Aesthetic Plastic Surgery  
Society of Black Academic Surgeons  
The International Society for Aesthetic Plastic Surgery

#### **Special Awards, Fellowships And Other Honors**

Hubbard Hall Scholastic Award, 1986-87  
Academic Excellence Award, 1987-88  
Phi Kappa Phi Honor Society, 1988  
University of Chicago Scholastic Scholarship, 1988  
Alpha Omega Alpha Eligible, 1991  
Resident of the Month, Ann Arbor Veterans Medical Center, 1993  
University of Michigan Professional Achievement Award, 1994-95  
Frederick A. Collier Tour Award, 1996  
Best Scientific Award (Candidate) American Society of Aesthetic Plastic Surgeons, 1999  
Plastic Surgery Senior Resident Conference. Best Congenital Paper Award, 2000  
Chicago Plastic Surgery Presentation Award, 2000  
Crain's 2002 "Forty under 40" Award  
Chicago "Top Doctor" Award, 2005, 2006, 2007  
Pathways To Leadership, American Society of Plastic Surgeons, 2007

#### **Active Grant Support**

"Clinical Effects of Nausea and Ambulatory Surgery", Gallaxo Corporation, 1997  
"Panoramic Gene Expression Array in Conditions of Pathologic Scar Overproduction, PSEF/ASERF, 2000  
Topical Treatment of Keloid Scars, Commercial Support, 2003-2006  
Clinical Investigator, Restylane Sub Q, Medicis Corporation 2006-2008

#### **Past Appointments**

Northwestern Medical Faculty Foundation Board of Directors, Member at Large  
Associate Professor, Plastic Surgery, Northwestern University

### **Book Chapters**

McLeod M, Few J. Diagnostic advances in APUDomas and other endocrine tumors: Imaging and localization. In: *Sem Surg Onc.* 399-432, 1993.

## **Abstracts**

Few J, Thompson NW, Angelos P, Simeone D, Giordano T, Reeve T. Riedel's thyroiditis: Treatment with Tamoxifen. American Assoc. of Endocrine Surgeons Annual Proceeding, 1996.

Few J, Chen L, Garner W. Thermal Hand Injury Outcome Study. Moses Gunn Conference. University of Michigan, May 1997.

Few J, Marcus J, Mustoe T, Fine N. Conscious Sedation and Plastic Surgery. Michigan Academy of Plastic Surgeons Annual Proceedings, 1998.

Marcus J, Tyrone J, Few J, Fine N, Mustoe T. Optimization of conscious sedation in plastic surgery: causes and impact of prolonged recovery. American Society of Plastic and Reconstructive Surgery Annual Proceedings, 1998.

Few J, Marcus J, Placik O. American Society for Aesthetic Surgery Annual Meeting. Deep Venous Thrombosis Prophylaxis in the Moderate to High Risk Patient Undergoing Lower Extremity Liposuction, May 1999.

Few J, Marcus J, Aitken M, Redding J, Casas L. Twelfth Congress of the International Confederation for Plastic, Reconstructive and Aesthetic Surgery. Long Term Predictability in Nipple Projection Following Breast Reconstruction, June 1999.

Few J, Bauer B. American Society of Plastic and Reconstructive Surgery. The Role of Tissue Expansion in the Management of Large Congenital Pigmented Nevi of the Forehead in the Pediatric Patient, 1999.

Few J, Marcus J, Placik O. American Society of Plastic and Reconstructive Surgery. Monitoring Buried Head and the Neck Free Flaps with High Resolution Color Duplex Ultrasound, 1999.

Ganju A, Few J, Liu J. American Association of Neurosurgeons. Thoracic Spine Reconstruction via Combination Rib Vascular Pedicle Graft/Titanium Cage Construct. 2002

## **Visiting Professor**

University of Illinois Plastic Surgery Visiting Professor- 2004

University of Chicago Plastic Surgery Visiting Professor- 2004

Duke University Plastic Surgery Visiting Professor- 2006

Portuguese Plastic Surgery Visiting Professor- 2005

Honorary Speaker, Brazilian Society of Plastic Surgery-2006

## **Presentations**

First Annual Student Summer Research Poster Forum. University of Chicago Pritzker School of Medicine, 1990.

Seventeenth Annual Meeting of the American Association of Endocrine Surgeons. Reidel's thyroiditis: Treatment with Taxoxifen. Napa Valley, CA, April 1996.

Moses Gunn Annual Research Conference. Thermal Hand Injury Outcome Study, May 1997.

Northwestern Memorial Hospital Grand Rounds. Thermal Injury, October 1997.

Michigan Academy of Plastic Surgeons. Conscious Sedation and Plastic Surgery, July 1998.

American Society for Aesthetic Surgery Annual Meeting. Deep Venous Thrombosis Prophylaxis in the Moderate to High Risk Patient Undergoing Lower Extremity Liposuction, May 1999.

Twelfth Congress of the International Confederation for Plastic, Reconstructive and Aesthetic Surgery. Long Term Predictability in Nipple Projection Following Breast Reconstruction, June 1999.

American Society of Plastic and Reconstructive Surgery Annual Proceedings. The Role of Tissue Expansion in the Management of Large Congenital Pigmented Nevi of the Forehead in the Pediatric Patient, October 1999.

American Society of Plastic and Reconstructive Surgery Annual Proceedings. Deep Venous Thrombosis Prophylaxis in the Moderate to High Risk Patient Undergoing Lower Extremity Liposuction, October 1999.

American Society of Microsurgery 2000 Annual Program. Monitoring Buried Head and Neck Free Flaps with High Resolution Color Duplex Ultrasound, 2000.

Plastic Surgery Senior Resident Conference. Monitoring Buried Head and Neck Free Flaps with High Resolution Color Duplex Ultrasound, 2000.

Plastic Surgery Senior Resident Conference. The Role of Tissue Expansion in the Management of Large Congenital Pigmented Nevi of the Forehead in the Pediatric Patient, 2000.

The Midwestern Association of Plastic Surgeons. "An Algorithm for Chin Reconstruction", April 2000.

Northwestern Fienberg School of Medicine Radiation Oncology Grand Rounds Breast Reconstruction, December 2001.

Northwestern Fienberg School of Medicine Emergency Medical Facial Trauma, March 2002.

Illinois Surgical Society Presentation, June 2002. Endoscopic Breast Surgery.

Northwestern Fienberg School of Medicine Dermatology Grand Rounds Facial Plastic Surgery, December 2001.

American Society for Aesthetic Plastic Surgery Annual Meeting 2003, The Upper Eyelid: Relevant Septal Anatomy in Aesthetic Surgery

American College of Surgeons Annual Meeting 2003, Discussant: Endoscopic Midface Surgery

Ophthalmic Plastic Surgery, Grand Rounds, University of Chicago, 2004

Ophthalmic Plastic Surgery, Grand Rounds, University of Illinois, 2004

Food and Drug Administration IND Hearing, Topical Treatment of Keloid Scars

American Society for Aesthetic Plastic Surgery Annual Meeting 2005 Co-Moderator

National Medical Association Annual Meeting 2002-2005, Ethnic Eyelid Surgery.

American Society for Aesthetic Plastic Surgery Annual 2006 Scientific Session Chair

American Society for Aesthetic Plastic Surgery 2006 Fellows Forum: Filler Injection

American Society of Plastic Surgeons 2006 Cosmetic Scientific Session Chair

American Society of Plastic Surgeons: Panel - Ethnic Skin Care

American Society of Plastic Surgery: 2007 Annual Meeting Cosmetic Scientific Session Chair

International Society of Aesthetic Plastic Surgery 2008: "The Lateral Cathal Complex; The Key to Successful Peri-orbital Rejuvenation."

American Society for Aesthetic Plastic Surgery: 2008 Annual Meeting; “Avoidance of Complications in Pfohis Surgery.”

Rhinoplasty Society 2008: “Etimo Rhinoplasty.”

American Society for Aesthetic Plastic Surgery: 2008 Annual Meeting, Scientific Session Chair, Moderator – Cosmetic Breast Surgery.

Plastic Surgery 2008: “New Tips and Tricks with Injectables and Dermal Fillers – Optimizing Patient Results.”

Plastic Surgery 2008:” The Transconjunctival Mid-face Lift: A Siz-Year Experience Working Under the Muscle.”

American Society for Plastic Surgeons 2008: Panel: Beauty for Life.

American Society for Plastic Surgeons 2008: Panel: Hot Topics in Plastic Surgery.

Botulinum Toxin Indications Steering Committee Member Presentation December 2008.

American Brazilian Meeting 2009: “A Diverse Application of Cosmetic Medicine.”

American Brazilian Meeting 2009: “Midfacial Rejuvenation: A Surgeon Friendly Approach.”

American Brazilian Meeting 2009: :Advanced Uses and Optimization of Evolence in Aesthetic Medicine.”

American Brazilian Meeting 2009: Beauty for Life Panel Participant.

AboutFace 2009: “Upper Blepharoplasty.”

AboutFace 2009: Upper Facial Non Surgical Cosmetic Enhancement.”

AboutFace 2009: “Laser Resurfacing in Darker Skin.”

The Midwestern Association for Plastic Surgeons, 47th Annual Meeting: Panel Moderator: Aesthetic Innovations in Chicago, Advance in Body and Facial Aesthetic Surgery.

Facial Cosmetic Surgery 2009, 5th Annual Meeting: Video Presentation: “Transconjunctival Midfacial Rejuvenation.”

Facial Cosmetic Surgery 2009, 5th Annual Meeting: “Ethnic Skin Care and Resurfacing Treatments.”

Facial Cosmetic Surgery 2009, 5th Annual Meeting: “Cosmetic Fillers and Toxins in the Cosmetic Patient.”

Cosmetic Boot Camp 2009: “Plastic Surgeons Perspective on Cosmetic Medicine.”

Cosmetic Boot Camp 2009: “Laser Use in Darker Skin.”

Advances in Cosmetic Therapy, Dearborn, MI 2009: “Advanced Uses of Botulinum Toxin in Cosmetic Medicine.”

Advances in Cosmetic Therapy, Baltimore, MD: “Advanced Uses of Botulinum Toxins in Cosmetic Medicine.”

The Aesthetic Meeting 2009: “Treating Skin of Color.”

The Aesthetic Meeting 2009: “Ethnic Rhinoplasty, Creating Shape While Preserving Ethnicity.”

American Society of Plastic Surgeons 2009: Moderator: Rejuvenation of Upper Eyelid.

American Society of Plastic Surgeons 2009: Panel: Fresh Face, Real Cases Senior Discussant.

Oculoplastic Symposium 2010: "Transconjunctival Midface Lift."

Oculoplastic Symposium 2010: "Injectables Around the Eye."

### **Committee**

American Society for Aesthetic Plastic Surgery, 2002 to present. Media/Public Relations.

American Society for Aesthetic Plastic Surgery, 2006. Midwest Membership Coordinator.

American Society for Aesthetic Plastic Surgery Future Leadership, 2003 to 2005.

American Society for Aesthetic Plastic Surgery Chair Public Education, 2005.

American Society of Plastic Surgeons Scientific Committee, 2005 to 2006.

ABC "Good Morning America" Advisory Panel, 2001 to present.

American Society for Plastic Surgery, Practice Relations and Public Education.

### **Extracurricular Experience**

Varsity Football, 1984-5

Alpha Epsilon Delta Honor Medical Society Vice President, 1987-88

Proctor: Anatomy, 1990

Proctor: Animal Surgical Research, 1990

Biathlon: Coors Light, Chicago, IL, 1990

Triathlon: Bud Light, Chicago, IL, 1991

Mountain Bike Racing, Palos, IL, 1989-92

Proctor: Physical Diagnosis, 1992

University of Michigan Medical School Advisory, 1996
